

Documents to be provided

Country: **United States of America**

ESTA

- The copy of the **passport data page**.
- An **information sheet** to be filled-in.

These documents should be sent to us by email at contact@visatravel.fr

ESTA eligibility:

- The traveler must be in possession of a biometric or electronic passport with a validity of six months. Any holder of another type of passport will need to apply for a visa.
- Each traveler, including children, must be in possession of a passport and their own ESTA.
- ESTA must be requested no later than 72 hours before departure. Attention, we advise you to make your request as soon as possible, doing it at the last moment exposes you to the non-issuance of the ESTA in time.

Following your ESTA request:

- The request is granted, your ESTA will be offered as soon as possible.
- The request is rejected. In this case, the applicant will have to apply for a visa with the consular service of the United States Embassy.

Your entry into the United States:

- Submit your passport with ESTA (or visa if applicable).
- Show your return flight ticket.
- Present proof of solvency (credit card, check, cash, etc.).

WARNING: if you have an ESTA but have subsequently travelled to a country on the US blacklist, such as Yemen, Syria, Iran or Iraq (non-exhaustive list and may varied at all times), then your ESTA is invalidated and you will not be able to use it to enter American soil.

A visa application will then have to be made to the United States Embassy.
